

# Seznam sad

Test set II - orgánová sada+

Počet zátěží: 68

Zátěže:

Thymus  
Gums  
Uterus  
Diencephalon  
Duodenum  
Electrical conduction system of the heart  
Cranial nerves  
Hypothalamus  
Liver cell  
Liver bile duct  
Joint cartilage  
Joint ligaments  
IF pharynx  
Synovium  
Rectum  
Bone marrow  
Trabeculae of bone  
Kidneys  
Lymphatic system  
Diencephalon  
Spinal cord  
Spinal nerves  
Spinal meninges  
Urethra  
Urinary bladder  
Pons  
Cerebellum  
Brain meninges  
Brain stem  
Adrenal glands  
Eye  
Pericardium  
Palatine tonsil  
  
Subcutis  
Pituitary gland  
Vagina  
Fasciae and tendons  
Medulla oblongata  
Prostate  
Mammary gland  
Forebrain  
Caecum  
Spleen  
Vestibulo-cochlear apparatus  
Myocardium  
Endocardium  
Pineal gland  
Thyroid gland  
  
Arteries  
Bursae  
Colon  
Ovaries  
Testicles  
Fibrous (connective) tissue  
Paranasal sinuses  
Vegetative nervous system  
Fallopian tubes  
Endocrine part  
Exocrine part  
Teeth

Veins  
Gallbladder  
IF pharynx  
IF pharynx  
IF pharynx

**Test set III - emocionální sada+**

**Počet zátěží: 52**

**Zátěže:**

Amaranth  
Hopelessness  
Depression from fate  
Fetishism  
Exhibicionism  
Infantilism  
Isolation  
Masochism  
Inferiority  
Excessive criticism  
Excessive care  
Excessive ambitions  
Narcissism  
Negativism  
Hatred  
Dissatisfaction  
Fear of failure  
Loneliness  
Perfectionism  
Pessimism  
Sensation of punishment  
Sensation of beaing overbeard  
Possession  
Suppressed ambitions  
Self-regret  
Need of protection  
Hypersensitiveness  
Psychological dependence  
Resigning  
Sadism  
Self-destruction  
Self-regret  
Sexual blockage  
Sexual perversion  
Saviourism  
Lust for revenge  
Lust for suicide  
Escape from worries  
Offence taking  
Offence of man ego  
Offence of woman ego  
Inner tension  
Qualms of conscience

#### **Test set V - potravinová sada+**

**Počet zátěží: 43**

**Zátěže:**

Potatos  
Amaranth  
Chickpea  
Tea  
Lentil  
Chocolate  
Beans  
Peas  
Lemon  
Apple  
Yoghurt  
Carp  
Savoy cabbage  
Chevre, goat cheese  
Maize  
Yeast  
Salmon  
Poppy seed

Mackerel  
 Butter  
 Honey  
 Olive oil  
 Paprika  
 Pepper  
 Beer  
 Aminoacid Glycine  
 Orange  
 Trout  
 Lamb  
 Cream  
 Salt  
 Tofu  
 Tuna  
 White wine  
 Red wine  
 Cabbage  
 Organs  
 Drugs  
 Aminoacid Alanine  
 Aminoacid Alanine  
 Aminoacid Alanine  
 Aminoacid Alanine  
 Aminoacid Glycine

### Test set - Sada infekční ložiska+

Počet zátěží: 58

Zátěže:

Infectious focus in bursas  
 Infectious focus in gingiva  
 Infectious focus in uterus  
 Infectious focus in pharynx  
 Infectious focus in larynx  
 Infectious focus in hypophysis  
 Infectious focus in hypothalamus  
 Infectious focus in cartilage  
 Infectious focus In liver  
 Infectious focus in sacral bone  
 Infectious focus in pubic bone  
 Infectious focus in bone marrow  
 Infectious focus in skin  
 Infectious focus in Langerhans isles  
 Infectious focus in kidneys  
 Infectious focus in sebaceous gland  
 Infectious focus in mesenchyme  
 Infectious focus in spinal cord  
 Infectious focus in lymphatic node  
 Infectious focus in meninges  
 Infectious focus in brain  
 Infectious focus in adrenals  
 Infectious focus in perididymis  
 Infectious focus in nail bed  
 Infectious focus in nervous ganglia  
 Infectious focus in nasopharynx  
 Infectious focus in periosteum  
 Infectious focus in eye  
 Infectious focus in os petrosum  
 Infectious focus in pericardium  
 Infectious focus in peripheral nervous system  
 Infectious focus in lungs  
 Infectious focus in vagina  
 Infectious focus in pleura  
 Infectious focus in sweat gland  
 Infectious focus in prostate  
 Infectious focus in mammal gland  
 Infectious focus in bronchi

Infectious focus in parathyroids  
Infectious focus in spleen  
Infectious focus in pancreas  
Infectious focus in heart  
Infectious focus in middle ear  
Infectious focus in muscle  
Infectious focus in pineal gland  
Infectious focus in tendon sheaths  
Infectious focus in thyroid gland  
Infectious focus in arteries  
Infectious focus in thalamus  
Infectious focus in thymus  
Infectious focus in ovaries  
Infectious focus in connective tissue  
Infectious focus in paranasal sinuses  
Infectious focus in vegetative nervous system  
Infectious focus in hair follicles  
Infectious focus in stomach  
Anatomy  
2-4-5-T (Pesticide)
